Adding Images

ng Di	gital Signage - Film Settings	
Current Film List: 12 JUMP STREET 50 SHADES OF GREY ABOUT LAST NIGHT DAWN OF THE PUNET OF THE THE WOMENT BURCK 2	Film Settings: Film Title: THEWOMEN IN BLACK2 Film Code: TH1483 Images Folder: images/TH1483 Preview Assigned: False Poster Image: Title Image:	Open Folder Assign Custom Preview
	Assign Custom Poster Assign C Movie Button Image:	ustom Title
Include Unscheduled Titles	Assign Custom MovieButtoA	Assign Custom Long Title

Select the film you wish to add images to. If the film is not showing, on the bottom left hand side- check off "Include Unscheduled Titles" Select "Assign Custom_____" to add each image to the corresponding film.

Next select "Force Image Update"

Close when all images have been added.

Restart your software

Restarting your software will force all images to update. You can now preview your posters with the selected images you just uploaded.
